

**ENTERPRISE OFFICE SUITE – ThinkFree Office**

# Office<sup>thinkfree</sup>

ThinkFree® is the leader in next-generation office productivity solutions for platform independent, anytime, anywhere-computing. Most of organizations today struggle with high cost to maintain office application. ThinkFree usability extends beyond PCs and is perfect for Desktop, Server, Internet-connected devices, including thin client and mobile computing platforms.

**Worldtech Solutions Sdn Bhd is distributor of ThinkFree Office in Malaysia**

The award-winning ThinkFree Office is a Microsoft® Office compatible application suite comprised of word processing, spreadsheet, and presentation graphics software-all usable online and off.

ThinkFree Office can automatically install and upgrade over the Web with features such as Internet-based file sharing and storage, as well as end-to-end security. Built for cross-platform functionality, ThinkFree Office is compatible with Windows, Macintosh, Unix and Linux systems.

## **Thinkfree Server Edition (Online/Offline)**

- Self hosted behind organization firewall
- One time purchase fee + annual license fee

## **Thinkfree Desktop Edition(Offline)**
